Pocketalk in Education

◀ "It's really helping us engage with parents. We used it to translate a discussion for a child with special needs, meaning we didn't have to use another member of staff to help, so it relieved the pressure" Upper Batley High School

◀ "We have used Pocketalk for some parent meetings where we discussed sensitive information and it has been received well." ~~Essa Primary School~~

◀ "The Pocketalk is definitely saving time; teaching assistants and teachers say it is giving them breathing space." Upper Batley High School

◀ "Communication is fantastic now.' Tower Road Academy
